

# FURCIL Returns, Replacements & Refund Policy

**Effective Date:** [DD/MM/YYYY]

At FURCIL, we are committed to delivering safe, high-quality pet wellness products. Due to the consumable and hygienic nature of our products, we maintain a strict No Returns Policy while ensuring fair replacements and refunds wherever applicable.

## 1. No Returns Policy

FURCIL does not accept returns once an order has been delivered. Pet nutritional supplements and grooming products cannot be resold after delivery because their storage, handling and hygiene cannot be verified.

## 2. Eligible Replacement & Refund Cases

Replacement or refund requests may be approved if you receive the wrong product, a product damaged during transit, a product with a broken/tampered seal, an expired product, missing items, or a verified manufacturing defect.

## 3. Cases Not Eligible

Claims will not be accepted for change of mind, incorrect product ordered, pet refusing the product, dissatisfaction with taste, opened or used products, improper storage after delivery, late claims, minor packaging changes, or allergic/adverse reactions. Consult a veterinarian before introducing new supplements, especially for pets with medical conditions or allergies.

## 4. Reporting Timeline

All claims must be reported within 72 hours of delivery. Claims submitted later may not be accepted unless required by applicable law.

## 5. Required Proof

Provide your order number, clear product photographs, outer package photographs, a continuous unboxing video from before opening the parcel, and a brief description of the issue.

## 6. Claim Review

Refund or replacement approval/rejection will be communicated within 3 business days after receiving complete evidence. FURCIL may request additional information. Decisions are made after verification.

## 7. Replacement Policy

If approved and stock is available, a replacement will be dispatched at no additional cost.

## 8. Refund Policy

If a replacement is unavailable, FURCIL may issue a refund. Approved refunds are processed within 7–10 business days. COD refunds are processed via bank transfer or another approved method. Shipping charges are generally non-refundable unless the error is attributable to FURCIL. Partial refunds or replacements may be offered where only part of an order is affected. Orders cancelled due to non-serviceable PIN codes receive a full refund including applicable shipping charges.

Refunds are issued only to the original payment source wherever technically feasible.

## 9. Cancellation Policy

Cancellation requests should preferably be submitted within 12 hours of placing the order. Requests after this period may not be accommodated even if the order has not yet been dispatched. Orders cannot be cancelled after dispatch.

## 10. Damaged or Tampered Deliveries

If a parcel appears damaged, opened or tampered with, refuse delivery where possible and contact FURCIL immediately. If accepted, report the issue within 72 hours with the required evidence.

## 11. Product Safety

Do not use products with broken safety seals, visible damage or signs of tampering. Contact FURCIL immediately.

## 12. Misuse of Policy

Fraudulent, misleading or abusive claims may be rejected and may result in restriction of future purchases or COD eligibility.

### 13. Limitation of Liability

FURCIL's liability is limited to replacement or refund of the affected product/order as applicable. Nothing in this policy limits rights available under applicable Indian consumer protection laws.
